

Welcome to the SDA 3 RAC Meeting!

Purpose

SPARK needs you, your time, and your voice.

The purpose of the Regional Advisory Council is to strategically aid and advise SPARK Learning Lab about our services, so we can better support those who support Hoosier children and families.

We know your time is precious and thank you for joining us tonight.

These Hoosiers are worth it...

RAC Membership Updates

As SPARK begins a new program year, we are happy to welcome several new members to the Regional Advisory Council! A current member list for each SDA can be found on the SPARK website:

<http://indianaspark.com/regional-advisory-councils/>

Members participated in two orientation sessions over the last two months.

The Council has selected a new Chair and Vice Chair for the coming year!

Old Business – Mandatory Training Recommendations

Offer mandatory trainings as live webinars

Many are currently offered as live webinars

Are there specific trainings you would recommend be offered as live webinars?

Offer trainings like Safe Serve more than once a quarter, or share information about other training providers programs can use

SPARK will share this recommendation with the Office of Early Childhood and Out-of-School Learning

Shorten training names in ILP to make them easier to find

SPARK will consider this feedback when naming trainings in the future and will share this recommendation with partners

Old Business – COVID-19 Related Recommendations

Provide additional marketing and business planning resources to assist programs who are struggling with enrollment

SPARK recently posted new resources on this topic on Indiana Learning Paths

Old Business – PTQ Rating Procedure Recommendations

Provide more information about how rating visits are being conducted during COVID

SPARK launched a new PTQ page on their website in October:

<http://indianaspark.com/paths-to-quality/>

SPARK will be adding an FAQ page in November

SPARK will work with partners to understand what rating visits currently look like and will include this on the FAQ page

Provide more messaging and information about PTQ enrollment

SPARK plans to add additional information to the website about enrollment

Provide a video about the PTQ process that partners can post on their websites

SPARK is exploring how to best package this information to share with partners

Old Business – I-SAT Recommendations

In future revisions of the I-SAT, assess readability more thoroughly

SPARK will take this into consideration during the revision process

What is the I-SAT?

- A program-level assessment for early childhood education and care programs in the state of Indiana.
- The I-SAT comprises seven (7) standards with a total of 50 quality items utilizing a rubric-based developmental continuum that offers a roadmap for advancing program quality from “Beginning” to “Excelling”.
- The I-SAT quality continuum includes specific behaviors, benchmarks, and ultimately a scope and sequence a program can utilize to create a plan to improve quality.

What is the I-SAT?

- There are four (4) versions of the I-SAT, one for each program type with questions tailored for each:
 - Center-Based
 - Family Child Care Homes
 - Ministries
 - School-Based
- Printable I-SATs by Program Type available in Knowledge Center

Comments:

How does the I-SAT work with other recognition programs, like Paths to QUALITY?

- The I-SAT is designed to support programs along their quality improvement journey, including participation in Paths to QUALITY.
- The I-SAT is NOT intended to replace the Paths to QUALITY standards.

I-SAT Standards

- The I-SAT standards are directly aligned to **Indiana's Core Knowledge and Competencies** (CKC's) for Early Childhood, School-Age, and Youth Professionals.
- The seven CKCs make up the **seven program quality standards in the I-SAT.**

1. Child and Youth Growth and Development
2. Health, Safety and Nutrition
3. Observation and Assessment
4. Learning Environment and Curriculum
5. Family and Community Engagement
6. Leadership and Professionalism
7. Organizational Development and Administration

I-SAT Quality Items & Continuum

- Each quality standard includes at least one to several quality items.
- Each quality item includes a continuum of five (5) benchmarks that stack upon each other, unless otherwise noted.
- Each quality item has a continuum of benchmarks grouped into five (5) categories: Beginning, Developing, Emerging, Mastering, or Excelling.

Standard 1: Child and Youth Growth and Development

Quality Item	Beginning	Developing	Emerging	Mastering	Excelling
Early Learning FOUNDATIONS	Lead Educator/ Caregiver receives approved training for Early Learning FOUNDATIONS	Any Assistant(s) receive approved training for Early Learning FOUNDATIONS	Lead Educator/ Caregiver and any Assistant(s) use the Early Learning FOUNDATIONS to design curriculum and learning environments foundations.
