for the Education of Young Children

Join Us On March 23rd!

7:00 PM - 8:00 PM EST | Zoom

The T.E.A.C.H. Early Childhood® INDIANA Team invites you to a virtual Open House event featuring the early childhood department chairs from Ivy Tech Community College and IUPUI. We will discuss how you can transfer your Associate's Degree to IUPUI and earn your Early Childhood Education - Bachelor of Science (B.S. ED.) degree while receiving ongoing support from the T.E.A.C.H. Scholarship program advisors and college faculty.

We will also present information regarding the variety of careers in the early childhood field, from teaching to program administration, coaching, outreach, and advocacy. Our community needs passionate early childhood professionals who will support Indiana's children and the early childhood workforce. We are here to help and support you on your journey to achieving a bachelor's degree!

We hope you will join us for this after-hours, informative open house where you can learn how to take your Associate's Degree to new heights and open new doors to a fulfilling career in early childhood education.
