2. Introductions:

- a. Members introduced themselves by sharing their names and professional role.
- b. Members present included: Brad Hand, Bridgett Brown, Madi McCloskey, Allison Hills, Natalie McIntire.

3. Reviewed Old Business:

- a. At the beginning of each Regional Advisory Council (RAC) meeting, the Council reviews action items and recommendations from the previous meeting and discusses progress.
- b. You can view past meeting minutes, recommendations, and their related action plan for each Service Delivery Area (SDA) on the SPARK website: <http://indianaspark.com/regional-advisory-councils/>. In addition, you can find more information about these recommendations and updates on the [SDA 2 website](#) and in the meeting slide deck.

4. New Business

- a. OECOSL Provider Recognition Program:
 - i. To acknowledge the hard work and dedication of Indiana's early education teachers and out-of-school-time professionals, OECOSL released an opportunity for colleagues, families, and system staff to nominate those who showed exemplary skills and are making a difference in their community.
 - ii. In this initial round, over 180 nominations were received. As a result, we are pleased to recognize individuals throughout the state as Outstanding Educator Award Certificate and funds to purchase additional materials for their classrooms.
- b. Build Learn Grow Stabilization Grant:
 - i. Build Learn Grow launched the second round of grant funding. Applications will be open from January 17th, 2022, through April 15, 2022. In addition, the website and frequently asked questions have all been revised (stabilization.buildlearngrow.org).
 - ii. SPARK is providing educational events with local partners throughout the state. Each virtual event will provide access to professional experts within the business fields to assist providers in making informed business decisions. Statewide Build Learn Grow Community Event Schedule: <https://indianaspark.com/build-learn-grow-community-events/>
- c. Indiana Early Learning Foundation Updates
 - i. The Early Learning Foundations have undergone revision since July 2020. The Governor announced the formation of the Office of Kindergarten Readiness in IDOE, and the updated Foundations release was delayed until this is newly formed office is complete. SPARK and industry partners will continue to monitor the progress and provide RAC updated information as it is released.
 - ii. SPARK will build off the IDOE training. RAC members provided the following suggestions regarding potential resources to help providers with training and implementation of the Foundation training: give an electronic copy of materials to review before training, offer virtual or in-person meetings, provide time to review and think of questions, and provide training with a lot of real-life examples.

- iii. Supplemental Resources or training materials: Provide CDC milestone videos or charts or pictures that go along with the training, create supporting lesson plans and prepare and meet foundations, create training on how PTQ award kits work together with Foundations or topic areas related, and leverage our community partners.
- d. Indiana Learning Paths Course Collections
 - i. The Course Collections were created in ILEAD based on the recommendations of RAC. The training collections will support onboarding learning paths for new educators and leaders. Course collections have all required training for new educators and leadership positions.
- e. Power of Peer Program
 - i. Training will help you get families excited about what you do every day. A way to promote high-quality parent/child interactions at home.
 - ii. Families in your program will have access to various additional time-friendly opportunities to engage with their children, which will ultimately result in positive relationships and powerful connections between home and your program. By building these connections and advocating for quality family experiences, your program will be strengthened, and families will have the building blocks for maintaining home-school connections as their children grow.
 - iii. All participants who complete the training will receive a free PEER Activity Cards book.
 - iv. You can register by logging into your I-LEAD account and registering in Indiana Learning Paths for SPARK! Power of PEER Training Level 1 (Virtual or Face to Face).
 - v. For additional information regarding the program, you can review the website: [The Power of PEER](#).
- f. SPARK Updates
 - i. The SPARK Annual report provided highlights and updates on the progress made throughout the contract year ([2020-2021 Full Report](#)).
 - ii. SPARK is launching provider mental health support groups:
 - 1. Offers 12 hours of group consultation with an LCSW
 - 2. Up to 15 professionals per group
 - 3. The second round of groups started in January
 - 4. The third round to begin in April
 - iii. SPARK is currently negotiating an Employee Assistance Program for Indiana's entire ECE & OST workforce.
